Walking in Christ with the *Sou*Motion of Joy! Patiently in Peace and in Purpose into Destiny.

How to Walk in God's Will Joyfully

Doing God's Will is easier with God's Love, Peace, and Joy propelling you forward.

Walking in God's Will is not an all or nothing process. For Jesus, it was; but we didn't have the privilege of being born of Divine Seed. Our seed came down through the bloodline of Adam; contaminated with sin. So many are confused about whether or not they are in God's Will. There are so many hypocrites that walk amongst the church, preparing to point out your every mistake. Being a hypocrite doesn't make the person any more righteous than you. Righteousness comes solely by Faith in the Gospel of Jesus Christ.

Our works are no cleaner than the filthiest rags a person can find. Our works; however, demonstrate that we have Faith. Our works express to God that we believe that He Loves us as much as He says He does in His Word.

Perfection is not the purpose of God's Will. Our DNA is tainted with sin. Sin affects our thoughts, our words, our attitudes, and our deeds on a constant 24/7 basis.

That is just how it is. But, when we rely not on our flawed DNA but on God, He infuses the Power needed to overcome the Law of Sin and Death that wages war against our soul's alignment with our spirits —So that we happen to do some things right on purpose for a change! As a believer in Jesus Christ, our spirits are aligned with The Holy Spirit in thought, word, and deed. Our spirit convicts our soul (mind, will, and emotions) when it behaves in alignment to the cravings and sensual desires of the flesh.

Honestly, walking in God's Will is simply showing God that you love Him each and everyday. You will never be perfect. The devil tries to condemn you for not being perfect so that you don't make an effort at all. That is the danger zone...where you stop making an effort to love God.

SouMotion of Joy Ministries will bring awareness of opportunities where you can show God how much you love Him. Man's relationship with God is mutual. When you show God you love Him, He shows you that He loves you and appreciates your efforts to choose Him. God gives us *SouMotions of Love, Peace, and Joy* when we walk in His Will simply because we want to show Him how much we adore Him. Walking in God's Will is choosing God over the world in life's problems, dilemmas, situations, and circumstances. However, most don't know what God's Will is in every life encounter.

SouMotion of Joy Ministries will over time, map out God's Will in every problem, situation, circumstance, or dilemma to give you more opportunities to simply show God how much you love Him. *SouMotion of Joy* Ministries will even map out God's Characteristics and Attributes so that it is clear, what to love about Him! We also map out God's Incentives in His Word for those who walk out His Will in their lives with the right motives. We provide an inventory of all of the Spiritual Tools and Weaponry that you need to receive the Power to walk out the Will of God successfully in your life. There are dark forces in the heavenly sphere that will try to prevent you from succeeding at walking out God's Will in your life. There are tools and weapons that are mighty before God for the overthrowing of demonic strongholds. God didn't leave us as orphans to fend for ourselves. We have The Holy Spirit. Our trusted Guide, infuses the Power of God into us in the form of pure perfect Love, Peace, and Joy:

- To sharpen our spiritual discernment to prevent us from walking into bad situations
- To enlighten our thoughts to illuminate those that are of God to eliminate confusion
- To encourage us to pick ourselves back up after we fail and to keep trying
- To remind us of who we are in Christ to bring awareness to our infinite value to God

And much more!

The right motive for walking in the Will of God is to show God you love Him every single day. Wake up ready to do something for God...no matter how big or how small. Note the areas that you messed up and that need improvement; pray about them. And keep pressing on. We are going to make mistakes. It is in our nature!

SouMotion of Joy Ministries is a breath of fresh air as we strive to get Christians on all walks of life, walking in the Will of God through something

(not everything) every single day. Don't wait to do for God until you can give it your all. That day will never come and believing that it will is a deception from the enemy to keep you from having any kind of relationship with God.

Walking in God's Will is not about keeping focused on eternal punishment to keep you in line. True Love casts out all fear! (1 John 4:18) So many try to scare Christians into obedience and this leads to many feeling condemned when they make a mistake. We are going to make mistakes! Every Christian makes some kind of mistake every single day. Let us quit proclaiming self-righteousness and pointing fingers at certain sins as worse than others. That is a false perception! All is sin, period.

God wants us to practice gratefulness of our redemption and who He created us to be; realizing the enormous potential He placed in us for extraordinary purposes at the foot of destiny. Don't settle for second-best. Faith says press on because God's best has already been placed inside of you before you knew who you were!

God continues to perfect us until the day of Christ's Return. Meaning, throughout our entire lives! Why did Jesus die? To wash away the crud that keeps us from approaching God and entering into a right relationship with Him! Jesus is faithful and just to continually cleanse all who ask for His Forgiveness. Ask Jesus to cleanse the mistakes in your life so that what you are doing right shines forth to God as the shining sun of the noonday!

God has a great future for you in Christ but you have got to stop running from the Word of God; and instead, turn and face it. We are called to come to the Throne of Grace boldly to receive Mercy and Grace in our time of need. Jesus knows the temptations that we face everyday because He endured them. We have a High Priest that is sympathetic to our cries amidst our weaknesses. Call on Him! Ask for the Power of The Holy Spirit to assist you in your walk with God.

No matter what actions we take in life, we sow either good seed or bad seed. Every action either helps us or hinders us. God has a great future for us. But we have to start sowing good seed consistently, if we want to have any chance of partaking in the blessings. This doesn't mean perfection. The fruit of bad seed that springs up out of imperfection, should be ignored until it eventually dies. Focus on sowing good seed and cultivating the fruit that comes from the good seed sown. If you focus on all of your errors/mistakes, you are effectively cultivating bad fruit, which is what will prosper in your life, instead of God's best.

Don't procrastinate on learning how to walk in a right relationship in Christ. God wants to deliver you from your pain and suffering, but He also wants you to learn something. Learning how to come into right relationship with Him is more valuable than giving you the victory.
